10

♩ = 70

It's funny how empty the house feels_ with just one per-son gone. The

walls seem to know and ev - en the clock when ev - ery tick and ev - ery tock says,"She's

gone. She's gone. She's gone." It's funny how empty your heart is with just one per-son

4

33

say how much I miss you! If on - ly I could kiss you one last

just one more time.

36

time. just one more time.

just one more time.
